

Collin County Fall25 Home & Garden Seminar Schedule

Saturday, September 20th

Seminar: "Earth Kind Lawn Care – Back to Basics"

Speaker: Barbara Palmer at 11am

Barbara Palmer stands out as a multifaceted individual whose passion for horticulture, education, and animal stewardship has shaped a dynamic and purposeful life. As a distinguished Collin County Master Gardener since 2014, Barbara has continuously demonstrated a commitment to sustainability, innovation, and community engagement. Her journey, marked by a deep appreciation for both plants and animals, reflects an inspiring blend of expertise, curiosity, and service.

Seminar: "Gardening Under Glass"

Speaker: Marilee Crawford at 12:30pm

With a dedication spanning over fifteen years as a Collin County Master Gardener, Marilee Crawford has established herself as a cornerstone of horticultural expertise in North Texas. As a Collin County Master Gardener, she is widely celebrated for her enthusiasm, depth of knowledge, and creative spirit. Affectionately known across the region as "The Terrarium Lady," Marilee's devotion to the art and science of terrariums has earned her a cherished reputation among gardening circles.

Seminar: "Birds of Prey"

Speaker: Karen & Marla with Blackland Prairie Raptor Center at 3pm

Blackland Prairie Raptor Center is a nonprofit organization primarily run by dedicated volunteers. Our education volunteers are passionate about caring for our non-

releasable raptors and sharing their stories with audiences of all sizes. They take pride in bringing our bird ambassadors to the public, offering a unique, up-close experience that helps foster a deeper connection with nature and inspires people to care more about wildlife.

Sunday, September 21st

Seminar: "The Fall Flower Garden"

Speaker: Sandra Teagarden at 12:30pm

Sandra Teagarden is a devoted and experienced member of the Collin County Master Gardeners, proudly holding this distinction for over eleven years. Throughout more than a decade of service, Sandra's love for gardening has blossomed into both a personal passion and a public calling. Her dedication is evident in the vibrant landscapes she tends at home, and her yard has been showcased on the esteemed Heritage Ranch Garden Tour on numerous occasions, delighting and inspiring visitors with its beauty and horticultural excellence. Sandra is also a very talented quilter. Sandra Teagarden continues to nurture her community, one garden, quilt and conversation at a time ... sowing seeds of knowledge and inspiration wherever she goes.

Seminar: "Birds of Prey"

Speaker: Karen & Marla with Blackland Prairie Raptor Center at 2:30pm

Blackland Prairie Raptor Center is a nonprofit organization primarily run by dedicated volunteers. Our education volunteers are passionate about caring for our non-releasable raptors and sharing their stories with audiences of all sizes. They take pride in bringing our bird ambassadors to the public, offering a unique, up-close experience that helps foster a deeper connection with nature and inspires people to care more about wildlife.
