Live Raptor Program

Raptors Up Close: Masters of the Sky

Get ready for an unforgettable, up-close encounter with some of nature's most powerful hunters! This exciting educational program introduces both kids and adults to the fascinating world of raptors. Meet magnificent hawks, owls, and falcons as expert educators from the Blackland Prairie Raptor Center showcase these incredible birds and explain what makes them such vital members of our ecosystem.

Learn how these skilled predators fit into the food chain and discover the amazing adaptations that help them hunt and survive in woodlands, wetlands, and prairies. Seeing these birds of prey in person is a thrilling experience and a rare opportunity to appreciate their beauty, power, and importance in the wild.

There's no better way to learn about North Texas birds of prey than meeting them face-to-face!

2:00pm

Eco Safe: Why Natural Organic Matters

Gregory Brandt & Dr. Simona Principato

Experts from Eco-Safe Pest Control will share insights on entomology, natural pest control solutions, and eco-friendly cleaning methods. Learn practical tips and tricks to help protect your home, business, and garden while working with nature—not against it.
