SEMINAR SCHEDULE

Friday, September 11

3:00pm Native Plant Gardening for Butterflies

Stephanie Lopez - National Butterfly Center

Discover how to transform your yard into a thriving habitat for butterflies and other pollinators using native plants. Learn which native plants provide food, shelter, and support through every stage of a butterfly's life. Together, we can make a difference—one native plant at a time.

4:15pm Your Backyard: Their World

Stephanie Lopez - National Butterfly Center

What may seem like an ordinary backyard is actually a vibrant world for birds, butterflies, bees, and countless other wildlife. Join us as we explore the hidden lives of the creatures that share your outdoor space.

Saturday, September 12

10:15am Your Backyard: Their World

Stephanie Lopez - National Butterfly Center

What may seem like an ordinary backyard is actually a vibrant world for birds, butterflies, bees, and countless other wildlife. Join us as we explore the hidden lives of the creatures that share your outdoor space.

11:00am Grow Your Best Tomatoes Yet!

Justin Butts

Ready to grow your best tomatoes ever? Join Justin Butts for a practical, information-packed seminar on producing flavorful tomatoes and bigger harvests. Learn about soil preparation, variety selection, trellising, irrigation, pest management, and more. Whether you're a beginner or an experienced gardener, you'll leave with proven tips for a thriving tomato crop.

12:00pm All Bugs Have a Job

Renee Brown, Nueces Master Gardener

Discover how beneficial insects serve as nature's workforce through pollination, pest control, soil aeration, and decomposition. Learn how cultivating a chemical-free environment helps these valuable garden allies thrive.

1:00pm Native Plant Gardening for Butterflies

Stephanie Lopez - National Butterfly Center

Discover how to transform your yard into a thriving habitat for butterflies and other pollinators using native plants. Learn which native plants provide food, shelter, and support through every stage of a butterfly's life. Together, we can make a difference—one native plant at a time.

2:00pm What I Learned About Gardening from Farms Around the World

Justin Butts

From the terraced fields of India and Japan to African jungles, European gardens, and landscapes across North America, farmer Justin Butts shares practical and inspiring lessons from growers around the globe. Discover simple ideas you can adapt at home to create a more productive, beautiful, and resilient garden.

3:00pm Fall Vegetable Gardening

Donna Gonzales, Nueces Master Gardener

Learn tips and tricks for planning and preparing your fall garden beds to increase production while minimizing pest and disease problems.

4:00 PM Rainwater Collection & DIY Simple Irrigation

Tom Andrews, Nueces Master Gardener

Discover smart ways to capture and use rainwater in your garden. Learn about rain barrels, catchment systems, micro-drip irrigation, ollas, and other water-saving techniques.

Sunday, September 13

12:00pm All Bugs Have a Job

Renee Brown, Nueces Master Gardener

Discover how beneficial insects serve as nature’s workforce through pollination, pest control, soil aeration, and decomposition. Learn how cultivating a chemical-free environment helps these valuable garden allies thrive.

1:00pm Grow Your Best Tomatoes Yet!

Justin Butts

Ready to grow your best tomatoes ever? Join Justin Butts for a practical, information-packed seminar on producing flavorful tomatoes and bigger harvests. Learn about soil preparation, variety selection, trellising, irrigation, pest management, and more.

2:00 PM Fall Vegetable Gardening

Donna Gonzales, Nueces Master Gardener

Learn tips and tricks for planning and preparing your fall garden beds to increase production while minimizing pest and disease problems.

3:00 PM What I Learned About Gardening from Farms Around the World

Justin Butts

Explore gardening insights gathered from farms and gardens across the globe and discover practical techniques you can apply in your own landscape.

4:00pm Rainwater Collection & DIY Simple Irrigation

Tom Andrews, Nueces Master Gardener

Learn simple, water-wise methods for collecting rainwater and creating efficient irrigation systems for your garden.

Special Guest:

Justin Butts

Justin Butts is a pioneer farmer, radio show host, writer, financial services professional, and former Senior National Sales Executive with The Coca-Cola Company.

Justin left his position at the highest level of global account management for Coca-Cola to launch Four String Farm in Rockport, TX. He transformed the raw wilderness into the most successful small-scale farm in the region using methods he learned from history books and from studying small-scale farms around the world.

Justin is creator and host of “Your Wholesome Heritage Garden”, a weekly radio program on KEDT-FM that reaches Corpus Christi, Victoria, McAllen, and Brownsville. He is a columnist and feature writer for The Bend Magazine in Corpus Christi and EastSIDE Magazine in Austin.

He has been featured in The Washington Times, USA Today Agriculture Report, Corpus Christi Caller-Times, KRIS-6 TV, the Heritage Radio Network, and other publications.

Justin is a former US Army Ranger. He graduated magna cum laude from Texas A&M— Corpus Christi. Justin is married to dietitian/author/chef Kayla Butts, author of the international cookbook Garden to Table (Fox Chapel Publishing). They live with their children at Four String Farm in Rockport.

LIVE COOKING DEMONSTRATIONS WITH KAYLA BUTTS

Kayla Butts

Kayla Butts MS, RDN, LD is a dietitian-nutritionist, farmer, and recipe developer.

Her international cookbook Garden to Table Cookbook helps readers grow, preserve, and prepare organic produce in their own backyard. Kayla has written over 200 features for The Bend Magazine and EASTside Magazine. She has also been featured in Edible Austin.

Kayla grew up in one of the fattest cities in America. After seeing her mother successfully battle epilepsy with food, she decided to devote her life to helping people feel their best through good food. She received a full scholarship to the University of Texas in Austin and graduated magna cum laude with her Master's in Nutrition from Texas Woman's University in Denton, TX.

She has been in the field of nutrition for 20 years, providing individualized counseling to clients on everything from weight loss to hormone balance. Kayla's unique insights into how the health of our food affects the health of our bodies was fine-tuned over a decade of growing her own food for her family and community.

Kayla works in healthcare, private counseling, and community programs empowering others to improve their lives through food. She takes a holistic approach to nutrition and challenges the status quo. She is passionately devoted to changing the way America eats, cooks, sources, and grows their food.
